Dear Shareholder,

RELATED PARTY TRANSACTION
and
NOTICE OF GENERAL MEETING

1. Introduction

Following a careful review by the Board of the Performance Fee arrangements with the Manager, I am writing to you to seek your approval to proposed changes to the current Management Agreement, which the Board believes are in the best interests of the Shareholders.

The current Performance Fee arrangements have been in place for 10 years and due to the volatility in the markets over the past few years, the Board has undertaken a thorough examination of its operation with the Manager to ensure that it remains fit for purpose. We have set out below further background on the proposed changes to the methodology for calculating the Performance Fee.

This document also provides details of the General Meeting that will be held at the offices of Reed Smith LLP at The Broadgate Tower, 20 Primrose Street, London EC2A 2RS at 11:45 a.m. (or as soon thereafter as the Annual General Meeting shall have ended) on 28 July 2023 to consider the Resolution that will be put to Shareholders to approve the proposed changes.

The purpose of this document is to provide you with information about the proposal which is a “related party transaction” under the Listing Rules, as the Manager is a “related party” to the Company under those rules, and to explain why the Board considers the Resolution to be in the best interests of Shareholders as a whole and unanimously recommends that you vote in favour of the Resolution to be proposed at the General Meeting.

Part I of this document contains definitions of words and terms that have been used throughout it. Please refer to Part I as you review this document.

2. Performance over the past ten years

By way of background, it is relevant to consider the Company's performance over the past 10 years. As the table below shows, since 1 April 2013 the Company has generated a total return (NAV plus dividends paid) of 45.7 pence per share.

	Total return pence per share change in year (audited)	Cumulative change in Shareholder value*
31 March 2014	8.0	9.4%
31 March 2015	3.5	14.0%
31 March 2016	8.0	24.7%
31 March 2017	9.2	39.4%
31 March 2018	0.8	40.8%
31 March 2019	3.3	47.8%
31 March 2020	(7.2)	31.3%
31 March 2021	21.3	83.6%
31 March 2022	0.6	85.2%
31 March 2023	(1.8)	80.0%

* Calculated as the movement in NAV plus dividends paid in the year divided by the opening net asset value. This information is based on audited values and is no indication of future performance.

3. Summary of the existing Performance Fee

The current arrangements on Performance Fees were introduced in 2013. The methodology considers whether the annual return to Shareholders in a particular year is positive, and whether, by the end of the year in question, Shareholders' NAV per share is above its Existing High Water Mark. If these conditions are satisfied then the annual return is compared to an annual "hurdle" return and if the difference is positive, a Performance Fee is payable. The Performance Fee is calculated as 12% of the difference between the annual return and the hurdle. The amount which can be paid under operation of the scheme is capped at 2.25% of opening NAV.

The annual hurdle is currently calculated on a blended average basis with 7.0% applied to unquoted investments, with a lower LIBOR- linked percentage to listed equities, cash and liquid balances. As the composition of the Company's assets varies year by year, depending on our rate of net investment and fundraisings, this annual hurdle also varies and can be hard to follow.

One of the features of the current scheme is that in a year where performance is negative, and results in a reduction in NAV for shareholders, no fee is payable. But if, in the following year, annual returns are positive and NAV by year-end is back to or above the Existing High Water Mark, the calculation proceeds on the basis of the annual return produced in that year, irrespective of the fact that part of the annual return is simply compensating shareholders for the prior year reduction in NAV and should not form the basis of a performance fee. Until 2020, the Company had not experienced sharp declines followed by strong out performance and so the current scheme up until that point moved, more or less, in line with Shareholders' returns. However, where returns are more volatile, as they have been through the Covid-19 era and may be going forward, this increases the possibility that performance fees are not well-aligned with Shareholders' returns. This is a key feature of the current scheme which the Proposal is seeking to amend.

In addition, each of the Northern VCTs calculates their fees in a slightly different way, in particular using different fee rates, which adds confusion for Shareholders.

4. Proposed New Performance Fee

The changes in VCT legislation in 2015 required the Company to focus new investments in earlier stage companies which, by their nature, are higher risk, take longer to realise, and therefore may deliver more volatile investment returns.

In order to align future Performance Fees better with Shareholder returns and harmonise the methodology and fee rates across the Northern VCTs, a number of changes are proposed:

- the New High Water Mark formula will be amended to reflect the total return of the fund defined as NAV growth and dividends paid, as of 31 March each year, on a cumulative basis, since the date the current scheme became operational;
- the Annual Hurdle rate will be set at 5% of opening NAV per share;
- the New Performance Fees will be payable on annual performance above the higher of the Annual Hurdle and the New High Water Mark (the “**Excess Return**”);
- New Performance Fees in excess of the annual cap of 2.25% of opening NAV to be carried over and payable at the next year end provided the New High Water Mark is exceeded and the payment would not exceed the annual cap in that year; alternatively the excess will continue to be carried forward until these conditions are met; and
- the New Performance Fee payable on the Excess Return will be harmonised with the other Northern VCTs at 14.0%.

The intention of these changes is to better align Manager incentives with future Shareholder returns, improve clarity for all Shareholders and harmonise the calculation between all Northern VCTs.

The major benefit to Shareholders is that New Performance Fees will only be payable for performance above the New High Water Mark. The Board believes this more than compensates for the changed performance fee percentage to 14%, the annual hurdle of 5% and the possibility for the Manager to earn New Performance Fees in excess of 2.25% of NAV, provided good fund performance is maintained for Shareholders. The Board has tested this methodology and notes that under the New Performance Fee, the cumulative performance fees payable would have been marginally less than the existing Performance Fee. Moreover, in no year would the 2.25% cap have been exceeded.

5. Shareholder Approval

Under chapter 11 of the Listing Rules, the Manager is a related party of the Company and the Proposal, therefore, constitutes a ‘Related Party Transaction’ that requires the approval of the Independent Shareholders. The Resolution set out in the Notice of General Meeting approving the Proposal, which will be given effect by the Company and the Manager entering into the Deed of Variation, will be proposed as an ordinary resolution and will require the approval of more than 50% of the votes cast in respect of it by the Independent Shareholders.

If the Resolution is not passed by the Independent Shareholders, the Deed of Variation will not be entered into and the terms of the existing Management Agreement will remain in force.

6. Risk factors

If the Resolution is not approved by Independent Shareholders, the existing Performance Fee methodology which is considered no longer fit for purpose will stay in place which would result in the Company paying out Performance Fees on a basis which is inconsistent with the other Northern VCTs and in circumstances where a fee would not be payable under this proposal.

7. Action to be taken in respect of the General Meeting

The Board greatly values the opportunity to meet Shareholders in person. However, we understand that this may not be possible for all who wish to attend. Therefore, the Company will offer Shareholders the option to listen in and/or watch the General Meeting remotely via a conference call facility that can be accessed from any computer with internet access or through a telephone (mobile or landline). If a Shareholder wishes to use this facility, please register at www.mercia.co.uk/vcts/n2vct/. After verification of the Shareholder’s identity, details of how to join the conference call will be provided to each Shareholder who has registered. Please note that Shareholders will not be able to use this facility to actively participate in the General Meeting by voting on the Resolution or asking questions.

Shareholders will find enclosed along with this Circular the Form of Proxy. Whether or not you propose to attend the General Meeting, you are requested to complete and return the Form of Proxy to the Company’s registrars, Equiniti Limited, at Aspect House, Spencer Road, Lancing BN99 6DA as soon as possible. They must receive it no later than 11:45 a.m. on 26 July 2023. Completion and return of the Form of Proxy will not prevent a Shareholder from attending and voting in person at the General Meeting should a Shareholder wish to do so.

8. Recommendation

The Board considers that the Resolution to be put to the General Meeting is in the best interests of Shareholders as a whole and unanimously recommends that you vote in favour of the Resolution, as the Board members intend to do so in respect of their own holdings.

In supporting the New Performance Fee, the Board is conscious of being fair to all Shareholders, with Shareholders' and the Manager's interests being balanced and aligned before any New Performance Fee is earned. The Resolution, if approved by the Independent Shareholders at the forthcoming General Meeting, will be effective as of 1 April 2023 and will result in amendments to the existing Management Agreement. The Board considers the Resolution is fair and reasonable as far as the Shareholders are concerned, the Directors having been so advised by Howard Kennedy. In providing its advice, the Sponsor has taken account of the Directors' commercial assessment of the Proposal. The Board unanimously recommends that you vote in favour of the Resolution to be proposed at the General Meeting, as the Directors intend to do in respect of their aggregate shareholding of 406,978 Ordinary Shares representing approximately 0.21% of the Ordinary Shares in issue at the date of this Circular. Additionally, as the Manager is regarded as a related party under the Listing Rules, the Manager and its Associates cannot vote on the Resolution and the Manager has undertaken that it will not vote and will take all reasonable steps to ensure that its Associates will not vote on the Resolution.

Yours sincerely

3. Directors' Interests

- 3.1. As at 23 June 2023, being the latest practicable date before the date of this Circular, the interests (all of which are beneficial) of the Directors and their immediate families in the share capital of the Company which: (i) have been notified by each Director to the Company; (ii) are required pursuant to section 809 of the Act to be entered in the register referred to therein; or (iii) are interests of a connected person of the Director which would, if the connected person, within the meaning of section 252 of the Act, were a Director, be required to be disclosed under (i) or (ii) above, and the existence of which is known to or could with reasonable diligence be ascertained by that Director, were as follows:

Save as disclosed in this paragraph, no Director nor any person (to the extent the same is known to, or could with reasonable diligence be ascertained by, that Director) connected with any Director (within the meaning of the Disclosure Guidance and Transparency Rules) has any interest in the share capital of the Company which is required to be notified pursuant to the Disclosure Guidance and Transparency Rules or which is required to be entered in the register maintained under section 809 of the Act.

4. Material Contracts

- 4.1. Pursuant to the Management Agreement, the Manager is responsible for managing the Company and its investment portfolio in line with the investment policy published by the Company. The Board retains overall responsibility for the conduct of the Company's affairs. The Manager has agreed to offer investment opportunities to the Northern VCTs and certain other funds it manages, pro rata to the NAV of each fund at the time of investment. The Management Agreement continues without limitation in point of time unless terminated by either party on giving one year's notice.

The Manager currently receives: (1) a basic management fee, payable quarterly in advance, at the rate of 2.06% per annum of NAV less current liabilities calculated at half-yearly intervals as at 31 March and 30 September; provided that the annual fee for cash balances in excess of £20 million shall be 1%; and (2) a performance-related management fee equivalent to 12% of the amount, if any, by which the total return increase in each financial year (expressed as a percentage of opening NAV) exceeds a performance hurdle. The hurdle is a composite rate based on 7% on average long-term investments and the higher of base rate plus 1% and 2.5% on average cash and near-cash investments during the year. Following a year in which total return decreases, an Existing High Water Mark will apply to the calculation of the performance-related fee but will be then adjusted downwards to the extent that a positive return is achieved in any following financial year. The performance-related management fee is subject to an overall cap of 2.25% of net assets per annum.

Out of such fees the Manager will pay the fees of Brewin Dolphin Limited, who manage the Company's non-VCT qualifying listed investments. The Manager also provides secretarial and administration services to the Company, for which it receives an annual fee of £62,000 (plus VAT) payable quarterly in advance. The secretarial and administration fee is adjusted annually in line with changes in the UK Index of Retail Prices.

The Annual Running Costs of the Company are capped at 2.9% of its net assets, any excess being borne by the Manager by way of a reduction of its fees. Annual Running Costs include, inter alia, Directors' fees, fees for audit and taxation advice, registrars' fees, costs of communicating with Shareholders, the basic annual fees payable to the Manager and annual trail commission payments, but exclude performance-related management fees. The total Annual Running Costs (excluding performance-related fees) for the most recently completed financial year for the Company was 2.17% of its average net assets.

The Manager is entitled to receive arrangement fees (i.e. fees to cover costs of due diligence and implementing investments – typically 3% of the amount invested) and monitoring/directors' fees from companies in which the Company invests. Costs incurred on abortive investment proposals are the responsibility of the Manager.

4.2. Other than the Management Agreement, there are no material contracts to which the Company is a party which contain information that the Shareholders would reasonably require to make a properly informed assessment of how to vote.

4.3. **Significant Changes**

Since 31 March 2023, being the date of the last published financial information of the Company (annual report and audited accounts), there have been no significant changes in the financial position of the Company.

5. **Consent**

Howard Kennedy has given and not withdrawn its written consent to the inclusion of its name in this Circular in the form and context in which it is included.

NOTES

- 1 A member entitled to attend and vote at this meeting is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to speak and on a poll, to vote in his or her stead at the meeting. It is particularly important to appoint a proxy if you intend to attend the meeting by way of the Zoom webinar facility as you will not be able to cast your vote at the meeting if you are attending virtually. A proxy need not be a member of the Company however. The appointment of a proxy does not preclude a member from attending and voting in person at the meeting should he or she subsequently decide to do so. A form of proxy which may be used is enclosed.
- 2 A member may appoint more than one proxy in relation to a meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him or her.
- 3 To be valid, a form of proxy together with, if applicable, the power of attorney or other authority under which it is signed, or a certified copy thereof, must be received by Equiniti Limited at Aspect House, Spencer Road, Lancing BN99 6DA not later than 11:45 a.m. on 26 July 2023.
- 4 The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those Shareholders registered in the register of members of the Company as at 6.30 p.m. on 26 July 2023 shall be entitled to attend or vote (whether on a show of hands or on a poll) at the meeting in respect of the number of shares registered in their name at the time. Changes to entries on the register after 6.30 p.m. on 26 July 2023 (or after 6.30 pm on the day which is two working days before any adjourned meeting) shall be disregarded in determining the rights of any person to attend or vote at the meeting.
- 5 As at 23 June 2023 (being the last business day prior to the date of this notice) the Company's issued share capital consisted of 195,930,908 ordinary shares each carrying one vote per share. Accordingly, the total number of voting rights in the Company as at 23 June 2023 was 195,930,908.
- 6 CREST members who wish to appoint a proxy or proxies for the meeting or any adjournment thereof by utilising the CREST electronic proxy appointment service may do so by following the procedures described in the CREST Manual (www.euroclear.com). CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s) should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in this notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed (a) voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

- 7 The above statement as to proxy rights does not apply to a person who receives this notice of meeting as a person nominated to enjoy "information rights" under Section 146 of the Act. If you have been sent this notice of meeting because you are such a nominated person, the following statements apply: (a) you may have a right under an agreement between you and the member of the Company by whom you were nominated to be appointed or to have someone else appointed as a proxy for this general meeting; and (b) if you have no such right or do not wish to exercise it, you may have a right under such an agreement to give instructions to that member as to the exercise of voting rights.

- 8 A copy of this notice, and the other information required by Section 311A of the Act, can be found at <https://www.mercia.co.uk/vcts/n2vct/>.
- 9 Any member attending the meeting has the right to ask questions. Section 319A of the Act requires the Directors to answer any question raised at the General Meeting which relates to the business of the meeting, although no answer need be given (a) if to do so would interfere unduly with the proceedings of the General Meeting or involve disclosure of confidential information; (b) if the answer has already been given on the Company's website; or (c) if it is undesirable in the best interests of the Company or the good order of the General Meeting that the question be answered.
- 10 You may not use any electronic address provided either in this Notice or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.
- 11 If the total number of voting rights that the Chair will be able to vote (taking into account any proxy appointments from Shareholders over which he is given discretion and any voting rights in respect of his own Shares) is such that he will have a notifiable obligation under the Disclosure Guidance and Transparency Rules of the Financial Conduct Authority (the "**DTRs**"), the Chair will make the necessary notifications to the Company and the Financial Conduct Authority. Therefore, any member holding 3% or more of the voting rights in the Company who grants the Chair a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the DTRs, need not make a separate notification to the Company and to the Financial Conduct Authority. However, any member holding 3% or more of the voting rights in the Company who appoints a person other than the Chair as proxy will need to ensure that both the member and the proxy comply with the respective disclosure obligations under the DTRs.

Notes relating to Form of Proxy

- 1 Every member has the right to appoint some other person(s) of his/her choice, who need not be a member, as his/her proxy to exercise all or any of his/her rights to attend, speak or vote on his/her behalf at the meeting. A member wishing to appoint a person other than the Chair of the meeting as proxy should insert the name of such person in the space provided however, members are reminded that if they appoint someone other than the Chair of the meeting, that person will not be able to attend the meeting and vote on the member's behalf. If the proxy is being appointed in relation to less than your full voting entitlement, please enter alongside the proxy holder's name the number of shares in relation to which they are authorised to act as your proxy. If left blank your proxy will be deemed to be authorised in respect of your full voting entitlement (or if this proxy form has been issued in respect of a designated account for a shareholder, the full voting entitlement for that designated account). Any alteration or deletion must be signed or initialled.
- 2 A member may appoint more than one proxy in relation to a meeting, provided that the proxy is appointed to exercise the rights attached to a different share or shares held by him/her. To appoint more than one proxy, please contact Equiniti Limited on +44(0)800 028 2349 for (an) additional form(s), or you may photocopy this form. Please indicate alongside the proxy holder's name the number of shares in relation to which the proxy holder is authorised to act as your proxy. Please also indicate by placing an X in the box provided if the proxy instruction is one of multiple instructions being given. All forms must be signed and returned together in the same envelope.
- 3 Use of the form of proxy does not preclude a member from attending and voting in person.
- 4 Where the form of proxy is executed by an individual it must be signed by that individual or his or her attorney.
- 5 Where the form of proxy is executed by joint shareholders it may be signed by any of the members, but the vote of the member whose name stands first in the register of members of the Company will be accepted to the exclusion of the votes of the other joint holders.
- 6 Where the form of proxy is executed by a corporation it must be either under its seal or under the hand of an officer or attorney duly authorised.
- 7 If the form of proxy is signed and returned without any indication as to how the proxy shall vote, the proxy will exercise his/her discretion as to whether and how he/she votes, as he/she will on any other matters to arise at the meeting.
- 8 To be valid, the form of proxy, together with, if applicable, the power of attorney or other authority under which it is signed, or a certified copy thereof, must be received by Equiniti Limited at Aspect House, Spencer Road, Lancing BN99 6DA not later than 11:45 a.m. on 26 July 2023.
- 9 The "vote withheld" option is provided to enable a member to abstain from voting on the resolution; however, it should be noted that a "vote withheld" is not a vote in law and will not be counted in the calculation of the proportion of the votes "for" and "against" the resolution.
